1. I am ready to display my glory, in a man, no less than me. Amen.

2. See what I have said, will you, please?

3. See what I have declared. Declarations of me come forth the likes of man never having seen my power, glory, dominion, rule with'by love; not a man of, condemning me. I condemn no one; that likes me, not; but loves me? Who will loves me, beyond recognition a man of, to see that I am God not a man not; but one I've become.

4. Behold, the now me there I display my glory not seen by man since Adam was a "cadet?" What meaneth my humor not, a notme says, but see my humor plainly seen in the many'ous natured me that comes forth a me-natured me now; a one that I am, many membered me and standing in no one's way, not; all shall behold my glory. I am me and I am ready to behold my glory in a man that's "sold out" to me alone.

5. MY glory shall be seen now; a man notwithstanding my way, not; but standing in the court of judgment, not; but what a'judging yourself real now? A spectator-participant not; but a me'er that's become a be'er of my righteousness to be me fully aware'd of my presence glory a man in white shining armor, not; but radiant splendor beauty I've become who I fully am, again, in righteousness, dominion, glory, given a man; not a man alone without me, but surrendered to love became love; knew me in my sufferings and where I hurt; sought to know where I hurt and how I hurt and why wherefore have I waited awaited and centuries passed now, before I do "it" again, not shall be; but I do it now everyday with people who are me-bound, bound into me not with drapery cords of lovenot ties that bind to cordless-not areas arenas not me bound of, a littling here, a littling there, not; but **what abundance now I release to the releasers of me!** Oh my! Let me see now; a little here, a little there, NOT! ABUNDANCE FLOWS NOW, TO AREAS ARENAS AND THROUGH MY BELOVED,S WHO HAVE BECOME ME THROUGH MY BELOVED WHO IS ME! I'VE ARRIVED AND I AT SUNSET BOW THE CLOUDS, NOT; I'VE BECOME THE ME'ER THAT ME'S ALL RIGHTEOUS INTO THOUGHTVILLE THAT BECOMES ME-THOUGHTVILLE ONLY, WITHOUT A MAN'S MIND THAT ISN'T ME, THAT ONLY ME IS MY MIND-D NOW, OF ONE ACCORD CORDLESS. DRILLS NOT; BUT NOW A DRILL-LESS ONE HAS BECOME ME, MY GLORY DISPLAYED, DISPLAYER OF ME NOW; MY GLORY SHOWN NOT A MAN BEFORE, HAS IT NOW. AMEN.

6. Is this enough ted, to have opened your laptop, new, for?, to write me about me that you are me and me writing through to you to write through to others now that display my glory will, for knowing now the notme is not me and the me is me and now knowing not not; which is which, and see how forsaken I've been, lonely, and attacked attached and retinue'd by notme all along; even with venues seeking to exalt me "in" them.
